

PARTY ANIMAL.

It's Lontamer's 3rd Birthday. 3 years taming the markets and 15 funds launched – thank you for all your support.

The last 3 years have been very fast moving - full of change, growth and the excitement of building a new brand in the financial services industry. We've launched 15 capital protected funds into the New Zealand market and that's no small feat. Asset classes from global equities, to the more specialist areas of commodities, Asia, Japan and currencies have been covered. Thousands of investors can now see the benefits of adding protected investments to their portfolios. Our birthday celebration gives us a chance to pause and say a personal thank you to the many advisers, brokers and investors who have supported us and made Lontamer a success.

With best wishes
